Summer 2021

We believe in miracles. Some of us just call it God's grace. Every day we hear some of your stories. Usually, it's someone simply praising God because He's in their life. Others are asking God for one form of mercy or another.

Sometimes, you give us the honour to pray specifically for you. It might be through a difficult family situation, personal struggle, or a loss, but whatever the purpose, knowing we seek the same God together gives us strength in numbers. And, our numbers continue to grow as we reach more people every day.

Join with us in this new season as we hold Jesus higher to the thousands and the tens of thousands who will hear the truth from CHRradio online, your FM radio stations, CHRI 99.1, 100.7, 88.1 and God willing, yet another CHRI station to be added soon.

Please pray that the authorities we've been placed under will grant us access to places where the need is greatest and then, consider continuing your financial support so that we can get there together.

Please give what you can to help us push through the summer, and please help us bring the gospel to yet another Canadian city. One where there is a great need.

Thank you and blessings to you and your loved ones,

Bill Stevens, the CHRI team and volunteers.
